

CLARISSA MAE A. LOPEZ

2758 Zenaida St. Poblacion, Makati City | lopez.clarissamae9@gmail.com | 09946837027

SUMMARY

A motivated 4th-year Bachelor of Science in Information Technology student with a knowledge in full-stack development, system design, and graphic design. Demonstrates strong technical and creative skills in developing and designing applications. Highly committed to continuous learning and expanding competencies in various IT-related fields. Eager to apply acquired knowledge in a professional environment and contribute effectively as part of a collaborative team.

EDUCATION

Bachelor of Science in Information Technology • **Dean's Lister** | 2022-2024
Universidad de Dagupan | Dagupan City, Pangasinan

EXPERIENCE

Project Manager, Application and Monitoring System for Student Assistants 2025-2026
in **Universidad de Dagupan**

- Led the development of key system features that improved overall workflow efficiency for student task and application monitoring.
- Implemented system enhancements and preventive measures that minimized system issues and improved platform reliability for users.

System Designer for Student Assistant Collaboration and Progress Tracking System 2024-2025

- Helped design and shape the main features of the system, making task tracking and student workflows more efficient and easier to manage.
- Worked closely with the team to improve the interface and overall functionality, ensuring the platform is simple and user-friendly.
- Regularly tested and reviewed system performance, applying updates and fixes that improved stability and reduced user issues.

Test Of Practical Competency in IT (Topcit) 2024-2025

- Completed the TOPCIT exam for IT competency assessment.
